The Road Armor Difference

At Road Armor we pride ourselves in building the ultimate replacement bumper. A bumper that adds utility and function to your vehicle while simultaneously making it a safer place for its occupants. Even our rear bumpers are designed to hold a winch. We receive testimonials regularly from grateful customers whose lives they believe were spared thanks to our bumpers, and first responders who see these kinds of accidents every day and know what the alternative looks like. Road Armor bumpers are battle proven and trusted by the United States and allied forces. That's why we say "Rule the Road", because with Road Armor replacement front and rear bumpers, your truck or jeep is transformed into a warrior poised to protect and prepared to defend.

We were the first to create a multi faceted steel bumper design and have led the industry since 2000. There are a lot of other manufacturers on the market these days, we encourage you to learn the difference - The Road Armor difference - because not all replacement bumpers are created equal. There's no substitute for the Original Road Armor Bumpers, 100% Made in Texas, USA and backed by our Lifetime Guarantee.

THE ROAD ARMOR 5-STAGE POWDER COATING PROCESS

STAGE 1 3-STEP WASH

- Power Wash
- Detergent Wash
- Acid Wash

STEALTH
JEEP SERIES

RoadArmor.com

Road Armor's Jeep Stealth Series is the originator in smooth steel products.

Specifically designed for the Jeep body style to follow, compliment, and accentuate the body lines of your vehicle. Built with heavy duty steel and multiple options to include shackle mounts, bed rack systems, and body armor these products are made to withstand any obstacles. With additional options to include a tire carrier and countered flares these bumpers and accessories fit any Jeep enthusiasts' style.

Key Features

- 3/16" heavy-duty steel construction
- 1/4" gusseting and internal bracketry
- CNC laser cut
- Precision brake formed
- Welded by craftsmen inside and out
- Direct, bolt-on design
- 7/8" heavy-duty integrated shackle mounts
- Lifetime structural warranty

RoadArmor.com

STEALTH JEEP SERIES WIDE FENDER FLARES

- 3" wider than factory flares
- Provides coverage for wheels/tires up to 80.5" wide
- Increased protection from rock chips
- Made in America and Texas strong
- CNC laser cut
- Precision brake formed
- Welded by craftsmen inside and out
- Direct bolt-on design
- Lifetime structural warranty

STEALTH JEEP SERIES ROOF RACKS

- Modular design allows easy freedom panel removal
- No-drill, easy bolt-on installation
- 11-gauge high-quality steel
- CNC laser cut steel
- Compatible with multiple aftermarket lights
- Easily mount a variety of additional accessories
- Premium 5-stage textured black powder-coat finish

STEALTH JEEP SERIES ROCKER GUARDS

- 3/16" heavy-duty steel construction
- CNC laser cut
- Precision brake formed
- Welded by craftsmen inside and out
- High quality hardware included
- Available in premium 5-stage textured black powder-coat finish or raw steel
- Lifetime structural warranty

STEALTH JEEP SERIES SPARE TIRE CARRIER

- Heavy-duty steel construction 1/4" (frame mount) & 3/16" (carrier assembly)
- High quality hardware included
- Rattle-free design
- Accommodates up to a 37" Tire
- Serviceable bearings for years of worry-free use
- Compatible with OEM Steel or Road Armor Stealth bumpers
- Includes relocation brackets for factory back-up camera & license plate mount
- HiLift, Rotopax and Extended wheel mounting brackets available
- High quality hardware included
- Available in premium 5-stage textured black powder-coat finish or raw steel

RoadArmor.com

RoadArmor.com

RoadArmor.com

Road Armor's TRECK system allows you to work hard and play hard with its customizable configuration options, patent-pending multiple platform heights, a wide variety of accessory mounts, and patent-pending spare tire relocation mount. Constructed from 11-gauge, laser-cut steel that supports up to 800 lbs.

Key Features

- Fits all late model mid-size and full-size pick-up truck beds
- Laser-cut 11 gauge telescoping vertical and cross rails for a perfect fit
- Includes triple platform height positioning – 14", 19", & 23"
- Thick, 7-gauge drill-less rack base mounting brackets
- Includes double nut plate for attachment to factory bed slide rails
- Slots for bikes, surfboards, canoes rooftop tents, and more on all cross, side, and upper-rails for maximum flexibility
- Stainless steel mounting hardware
- Modular, bolt-together design for simple installation and maximum customization
- Patent pending, available spare tire OE winch relocation mount
- Premium 5-stage textured black powder-coat finish
- Fits 5 ft. to 8 ft bed applications

The Adventure Series by Road Armor is for life's greatest experiences. Whether overlanding and exploring trails, hunting and fishing, or enjoying the great outdoors with the family, the Adventure Series – backed by Road Armor's quality assurance – allows you to be prepared for anything.

INTEGRATED & NON-INTEGRATED 12V DC WINCHES

Road Armor's Adventure Series Electric Winches are made to get you out of your toughest challenges. Features IP68-rated waterproof construction, high-strength synthetic rope, and both wireless and wired remotes allows for a easy to use winching system. Created with state-of-the-art components which utilize a 3-stage planetary gear system featuring a gear reduction ratio of 232:1, the Adventure Series electric winch allows for fast line speeds and low amp draws.

- 12V DC Electric Winches
- 3-Stage Planetary Gear System
- Synthetic Rope
- Steel hawse fairlead
- Corded remote and wireless remote control available
- Automatic load-holding brake for maximum safety
- Road Armor backed Quality Guarantee

HIGH-STRENGTH RECOVERY SHACKLES

Precision machined from extruded 6061 aluminum. Break tested beyond 40K pounds. 7/8" Diameter 304 stainless steel shear pin. Dual sided snap ring security.

- Break tested beyond 40k pounds
- Dual snap ring security
- Quick release retainer pin for on the go use

12V DC ELECTRIC COOLER

- DC compressor refrigerator
- Electronic control with LED display
- Fully insulated body
- Anti-vibration design
- Anti-leak, full plastic interior casing with basket
- LED interior light
- Fridge zone and freezer zone
- AC to DC adapter included
- 3.5 meter DC power cable included

LASER-CUT FIRE PIT

Your ideal outdoor centerpiece for warmth & enjoyment.

- Lay-flat storage design that is quick and easy to assemble
- High quality 11 Gauge steel
- Large fire bowl allows for hours of burn time
- CNC Laser cut

EVOLUTION

The next Evolution in winch bumpers is here
with Road Armor's Evolution Series.

Style is king and quality is the standard. Utilizing the Evolution Series
your truck will stand out with a bold new stature. Available in
pre-runner with or without reaper bar, and in full guard.

RoadArmor.com

Key Features | All Models

- 3/16" heavy-duty steel construction
- 1/4" winch mount and brackets
- CNC Laser cut
- Welded by craftsmen
- Direct bolt-on design
- Bottom foot winch mount
- Works perfectly with a Road Armor 12K integrated winch
 - Also fits up to a Warn M16.5
- Recessed light pods for two (2) - 3" lights or one (1) 4" light bar
- Factory-sensor ready
- Centered 30" single-row light bar
- 8" accent lights
- Crafted mesh screen to protect your light pod and center light bar

AVAILABLE CONFIGURATIONS

Base

- Centered 30" single-row light bar
- 8" accent lights
- Crafted Mesh screen to protect your light pod and center light bar

Pre-Runner

- 11-gauge steel sheetmetal pre-runner bar
- Additional 30" single row light bar option

Full Guard

- 2 1/2" tube guarded unit
- 11-gauge uprights
- Additional 30" single row light bar option

RoadArmor.com

Road Armor's Vaquero series is built for durability, forged for strength, and designed for style. The Vaquero bumper is manufactured in America and made with smooth steel using schedule 40 pipe, ¼ inch uprights, and our 5-stage powder coating system to ensure maximum protection. Designed for style with accents and visuals no other can compete with we rise above with our smooth steel, smooth lines, and technologically advanced robotic welds.

Key Features

- Made in America and Texas Strong, USA
- 1/4" gusseting and internal bracketry
- CNC laser cut
- Precision brake formed
- Welded by craftsmen inside and out
- Direct bolt-on design
- Lifetime structural warranty
- *Lights are not included

RoadArmor.com

The Spartan Series is designed to be lightweight, nimble, and charged with protecting its occupants. Constructed with 11-gauge steel and 7-gauge bracketry and built to Road Armor's exacting standards, the Spartan Series will protect you through the toughest battles. When the call is made, a Spartan will answer.

Key Features

- 11-gauge smooth steel
- 7-gauge smooth steel bracketry
- Louvered grille for positive airflow
- Sensor Compatible
- Additional Features Bolt on hardware:
- Bolt-on 11-gauge sheet metal pre-runner bar
- Bolt-on 11-gauge license plate bracket
- Bolt-on skid plate
- Will work with stock height or lifted trucks through 2-piece skid plate
- $\frac{3}{4}$ ton GMC and Chevy only
- Compatibility with $\frac{1}{2}$ ton trucks to follow in the future

RoadArmor.com

IDENTITY

The Identity series by Road Armor is designed to be clean, contoured, and customizable. Truly modular in design, the Identity series allows for your choice of center sections, shackles, and end pods. These variances allow for you to choose from a wide range of lighting, flare, and inserts to fit your style. This innovative design is guaranteed to make your truck come to life.

RoadArmor.com

YOUR BUMPER. YOUR CHOICE.

A truly modular bumper allowing you to choose your:

- Center section with or without shackles
- End pods for wide or standard flares
